

Stepping stones is a social group for parents and carers at Northgate who have children with additional learning support needs.

The aim of the group is to bring parents/carers together, enable experiences and ideas to be shared and friendships to grow. Our events are open to all and we encourage you to attend – you will be most welcome!

Your child may already be known to the Special Educational Needs Coordinator (SENCO) or you may be at the stage of discussing a possible need with your class teacher. Our hope is that those who have children further up the school may have experience and advice they can pass on and will be happy to signpost those who are new to the area and just finding their feet.

The group is being organised by Learning Support Representative, Hannah Haslam. If you would like to get in touch we would love to hear from you. Our email address is **steppingstonesnorthgate@outlook.com**
